**About the Miller/Howard MLP Fundamental Index**

The Index is a rules-based proprietary index developed by Miller/Howard Investments Inc., and is designed to measure the performance of 25 master limited partnerships ("MLPs") selected by a methodology based upon certain observable, quantitative fundamental factors of publicly traded MLPs, including distribution growth, estimated capital expenditures and distribution coverage.

The methodology, which is intended to provide exposure to the MLPs, aims to achieve this through a quarterly, rules-based selection of MLPs to be included in the Index for the following quarter.
